

CGMA Program applicant's statement

I, the undersigned, apply to participate in the CGMA Program at KU and agree to pay the fees associated with my participation in the programme and certification, including the CGMA Program one-time GBP 99 registration fee and the examination fee in the amount of GBP 111 (for the Certificate in Business Accounting level) or GBP 241 (for the Operational level – CIMA Diploma in Management Accounting). I am aware that any delay in the payment of the fees may result in being denied the registration or removed from the list of programme participants, or in failure to obtain the certification (depending on the type of unpaid fees).

I acknowledge that Kozminski University (KU) is not obliged to cover any fees for my participation in the CGMA Program at KU. At the same time, if KU pays the relevant fees at the request of CIMA, I undertake to reimburse KU for these fees in a nominal amount plus transfer costs, together with interest at the statutory rate, calculated from the date of KU's payment of the fee until the date of reimbursement.
